Ok

Procediamo intanto con il preventivo togliendo la base per carica batterie. Preparamo la determina per l'impegno di spesa.

Appena hanno scelto il tipo di auricolari procederemo con ulteriore richiesta di preventivo e con il numero ed il tipo di apparecchiatura.

Saluti

Isp. Zanoni Roberto

Sistemi Bluetooth.

## Bluetooth Accessories - PTT Pod

**Fast PTT module without Charger**

- Large PTT and volume control
- 25ms Fast PTT
- Fits easily in the hand or pocket
- Audible and visual status indicators for Pairing, Bluetooth link, Battery status (low and critical) and Charging status
- Compatible charger: PS000042A12 (EU), PS000042A13 (UK) and PS000042A11 (US) (to be ordered separately)
- Note1: For use with the SL4000/DM4000 Series radios the module requires a SW upgrade (Resource Centre/MOTOTRBO/Programming SW)

|                                                                                                                                  |  |                              |

A: 'Michele Gugnali - Sinora srl' <[michele.gugnali@sinora.it](mailto:michele.gugnali@sinora.it)>

Oggetto: R: Preventivo Radio portatili

Il caricabatteria multiplo non ci serve  
Bastano i 3 che abbiamo già preso.

Esistono altre tipologie di microfoni con auricolari per le portatili che abbiamo preso??

Saluti
